Preparing for the workshop

Please bring a **basic concept** for your artist book/your series and some prepared sketches. For the final concept you can get advice from us and inspiration from the shown examples.

During the workshop, all required tools are available.

You can bring your personal tools for drawing, intaglio or cutting woodblocks.

We offer inks, chemicals, grounds and varnishes for intaglio and hot type.

The following materials are charged depending on individual usage:

- wood – you can choose between plywood or solid wood (linden or alder)
- copper
- photopolymer film – light sensitive film for photomechanical transfer in intaglio
- paper – you can choose from two Japanese *washi* papers and a fine paper for intaglio

Depending on technique and usage, material costs between 20 and 60 € have to be anticipated.

Artist books can be realized with the following page sizes (single page):

- 24 x 18 cm (panel format)
- 18 x 23 cm (landscape format)
- 18 x 18 cm

These formats are easy to accomplish and allow a perfect usage of the available papers.

For the **print serial** we offer **plates** from DIN-A 6 to DIN-A 4 size. The paper size can be determined individually.

When preparing your concept please **don't exceed 8 – 10 single pages (or 4 – 5 double pages)** in consideration of the relatively short time period at your disposal.
