### Cancellation

The deposit is refunded in case of cancellation until 6 weeks before the workshop starts. Workshops may be cancelled by me in cases of force majeure; the deposit will then be reimbursed.

### Workshop Preparation

You will get the following materials:

- One woodblock from solid wood (alder or linden wood) in the size of 24 x 31 cm
- Respectively five sheets of two Japanese papers and two sheets of two Western printmaking papers in the size of 24 x 31 cm

During the workshop, many Japanese tools are available (knives, brushes, printing tools). In case you should have some woodblock knives, you can bring them too.

The woodblock can be used from both sides. Thus a woodblock print from two plates can be created. By creating overlapping areas from different blocks, mixing tones can be achieved. In case, another plate (from plywood) can be added.

If you do not want to design your print spontaneously, please bring some sketches.
